

🏠 3    🛏 3

Dendroblum House is a Caribbean style two story property conveniently located 5 minutes drive from the capital city of St. John's. In the proximity you can also find supermarkets, shops, bars, restaurants and beaches.

On the left side, on the ground floor, there are 3 bedrooms with king size beds, 2 bathrooms, a fully equipped kitchen and a spacious and luminous living room. The upper floor features 2 bedrooms with king size beds, one bathroom, a fully equipped kitchen and a nice living room. A balcony is surrounding the property on three sides and allows the guest to enjoy the view of the private tropical garden and the nice Caribbean breeze.

The shared laundry room is located on the ground floor, on the right side.
