

4.97 ac | 220,668 sq. ft

This pristine land situated on a cliff is located on the far East side of the island.

With a 360 degree commanding view of the Caribbean sea as well as a lagoon located right on the back of it this land is a perfect location for a small development.

Whether it is residential, a gated community with several villas, or a small intimate and prestigious hotel, this property offers easy access by the main road as well as water and electricity services.
