The entrance of Villa Touloulou is manicured garden, 900 square ft. One bedroom apartment Blue Lotus provides comfort and privacy. This tastefully appointed room features, indoor/outdoor living and dining area, air-conditioned bedroom with en-suite bathroom gourmet kitchen and ocean view verandah. Villa Touloulou located in the hillside of English Harbour and overlooks the marina bay, beach, sea and stroll by a tranquil Asian inspired gardens, surrounded by palm trees, bougainvilleas, hibiscus, frangipani, paradise birds, silver trees and many more all gently caressed by a refreshing breeze from the Caribbean or sit back on the deck as you take in breathtaking views and calm surroundings. The villa is built on 4 levels, with stunning designs, ocean view terrace, exquisite living room, bathrooms and kitchen. At first glance you might not even aware that this is more than just beautiful home as its design exemplifies the beautiful Caribbean house. Its design conceals the look of an apartment building, once inside you will find that unlike a hotel, each room has its own theme and decor. The living room can be cooled by air-conditioning, ceiling fan or the gentle trade winds. Relax and enjoy the breeze and views of the harbour or watch Cable TV, listening

to music, or working on a WiFi enabled laptop. All bedrooms offer: Air-conditioning, ceiling fans, Wifi, bath and beach towels, bed linens, pillows and bed lights readers will enjoy. Originally planned as land based crew accommodation for the multi-million dollar yacht fraternity, a fantastic accommodation for large groups travelling together, weddings, anniversaries and incentive groups will all find what they need in this magnificent villa.
