The Hibiscus Beach House, located within The Beach Houses project, offers a cozy and intimate living space with 2,210 square feet. Featuring two master bedrooms, each with an ensuite bathroom, outdoor showers, and a private terrace, this property provides a private oasis for a low-key couple or family. The open kitchen and dining area with a powder room for guests create a welcoming atmosphere. Wide doors at the back of the house lead to a covered terrace and pool at the center of the property, blending indoor and outdoor living seamlessly. The floor plan also includes open concept living, outdoor dining and living areas, a private pool, sun deck, and additional outdoor showers for a complete island living experience. Enjoy the peace and tranquility of the Hibiscus Beach House as your priv
