Nestled atop a gentle slope at approximately 100ft above sea level, Hummingbird House offers a breathtaking setting overlooking the pristine Pigeon Beach and Falmouth Bay in English Harbour, Antigua and Barbuda. This exquisite holiday rental villa boasts panoramic views stretching across the sparkling Caribbean Sea, all the way to the majestic Montserrat.

Surrounded by almost an acre of lush tropical gardens and embraced by the hills of the National Park to the South, Hummingbird House is a true sanctuary of privacy and tranquility. Despite its secluded location, this remarkable property remains conveniently close to all the amenities one could desire.
